## GENERAL INFORMATION

Howell Ice Arena is proud to present the Fall 2016 Learn to Skate program. We would like to invite you and take this opportunity to welcome you to our state of the art facility. The following material explains our program and fundamental philosophy.

We offer an inexpensive, recreational group lesson for students as young as 3 years old to teenagers. The Learn to Skate program is designed to develop skills that the student needs to move on to our advanced figure skating or hockey programs. Our philosophy is to provide the students with the skills appropriate for their age level while having fun.

Levels are determined by the United States Figure Skating Basic Skills Program evaluation description.

The minimum enrollment is 3 students per class. The maximum enrollment is 16 students per class.

**Additional coaches will be added to groups exceeding 12 students.**

**Classes must meet the minimum enrollment in order for the level to be offered.**

**ALL SCHEDULES ARE SUBJECT TO CHANGE**

**THERE WILL BE ABSOLUTELY NO REFUNDS**

**THERE ARE NO MAKEUPS FOR MISSED CLASSES**

***For more information, please contact our Learn to Skate Director:***
